

# ONE WOMAN

*isn't just one woman*

*One woman* isn't just one woman...because Arise is for women for leadership

*One woman* is a family, a church, a community, a workplace, a nation

*One woman* is a point of passion, inspiration, connection, influence, courage

*One woman* takes Arise back to her nation and shares it, over and again, to extend it to as many women as she can

*One woman* isn't just one woman...she's an investment in a nation

## INVESTING IN WOMEN FOR LEADERSHIP

It costs around US\$1,000 to send one woman to an Arise conference, with each woman contributing to her expenses and our ministry team funding their own way.

Your Arise donation is for lifetime value.
