

ONE WOMAN

isn't just one woman

One woman isn't just one woman...because Arise is for women for leadership

One woman is a family, a church, a community, a workplace, a nation

One woman is a point of passion, inspiration, connection, influence, courage

One woman takes Arise back to her nation and shares it, over and again, to extend it to as many women as she can

One woman isn't just one woman...she's an investment in a nation

INVESTING IN WOMEN FOR LEADERSHIP

It costs around US\$1,000 to send one woman to an Arise conference, with each woman contributing to her expenses and our ministry team funding their own way. Your Arise donation is for lifetime value.
